MAYUR TANWAR

Haridwar, Uttarakhand • tanwarmayur2004@gmail.com • linkedin.com/in/mayur-tanwar-242104327

EDUCATION

B.Tech — Computer Science & Engineering *2024 – 2028*
Gurukula Kangri Vishwavidyalaya, Haridwar | Relevant: DSA, OOP, DBMS, OS

INTERNSHIP

Machine Learning Intern | Krutanic Solutions, Bengaluru *Jan 2026 – Mar 2026*

- Built and evaluated ML models; applied supervised/unsupervised learning on real-world datasets
- Demonstrated strong technical skills and delivered valuable contributions to the ML team
- Awarded Certificate of Internship (Enrollment Code: KRT_3000100)

TRAINING

Machine Learning | Krutanic Solutions *January 2026*

- Completed structured ML training covering model building, evaluation, and Python-based workflows
- Awarded Certificate of Training Completion by Krutanic Solutions

TECHNICAL SKILLS

Languages: Python, Java, C, SQL
AI / ML: Machine Learning, LLMs, Generative AI, Prompt Engineering, NLP
Tools: Git, Linux, Jupyter Notebook, VS Code
Core: DSA, OOP, Problem Solving, Algorithm Design

PROJECTS

AI-Powered Application Development | *Ongoing*

- Designed Python-based projects integrating LLMs and Generative AI for real-world use cases
- Hands-on experience in prompt engineering, model integration, and AI system design

CERTIFICATIONS

- **Certificate of Internship — Machine Learning** | Krutanic Solutions *Jan–Mar 2026*
- **Certificate of Training Completion — Machine Learning** | Krutanic Solutions *Jan 2026*
- Generative AI in Action • Getting Started with Artificial Intelligence

AREAS OF INTEREST

Artificial Intelligence • Machine Learning • Large Language Models • Software Engineering • Algorithm Design
